With humble beginnings in Kerala, India, Elizabeth International has now grown to be one of the most trusted Overseas Nursing Recruiters and Abroad Education Consultants in India. We are a committed group of people who consistently provides high-quality services to healthcare professionals seeking jobs in the west as well as overseas study aspirants. Elizabeth International has successfully deployed over 5000+ healthcare professionals to the UK and Ireland together with 1000+ students across the globe to date. We focus on Quality rather than Quantity as we firmly believe that an organization's success is determined not only by its financial performance, but also by its quality, service standards, and customer delight. We are keen on making International Education accessible to all and International Healthcare Recruitment hassle-free.
